

Public Meeting

Thursday 20th January

7.00 – 9.00 pm

John Moulton Hall

7.00 pm **“Image and Ambitions”**

Do You Think People Have The Wrong Impression Of Our Community?

Do You Think Our Community Gets A Raw Deal?

Do You Think Red Tape Stops Our Community Getting More Facilities?

Do You Think You And Your Neighbours Could Accomplish More?

If you think it's impossible to make a difference, If you think it's impossible to change things for the better then think again!

Come along to the John Moulton to find out how you, and your neighbours, could help to improve the facilities we have and change the way other people think about the place we live.

8.00 pm **Open Forum:**

Meet your Cluster Ward Councillors and partners, including representatives from the Police – raise any questions or concerns that you have about issues within the local community.
