Fly Tipping—If you have been a victim of fly tipping, then please ring us and ask for the Environmental Enforcement team. We will be able to advise you on how to protect your property.

If you want to dispose of items yourself, you can take to the Household Waste Recycling Centre at Darby Close, Cheney Manor Industrial Estate, which is open 8 till 6.30pm 7 days a week in the winter. In the summer, the hours are 8am to 8pm.

We operate a community volunteer programme and can supply you with litter pickers, gloves, bags and graffiti wipes to assist you in keeping your neighbourhood tidy. This will help the street cleaners in your area and enable them to tackle the more difficult issues.
